The Dominican Shrine of St. Jude Thaddeus in Chicago is hosting an exceptional second visit to the Archdiocese of Santa Fe in a

"Pilgrimage of Hope and Healing with Saint Jude".

The Shrine was founded in 1929 and was gifted with an authenticated relic of the forearm of Saint Jude. The arm relic (possibly the largest such relic in the United States in the shape of an arm) is in a position of blessing, and many have attested to the blessings they received from God through this "Ambassador of Jesus".

For more details about this second "Pilgrimage of Hope and Healing",
e-mail info@shrineofsaintjude.com or call the Shrine at (312) 226-0020.
